Great selections from the 1940s. Will probably order music from other decades later. Level is probably intermediate, couldn't tell before ordering, but knew it was not "easy". Ideally would like a little more interesting arrangement, i.e. more "difficult". But condition new, well packaged and quick delivery. thanks!

I purchased this for my dad. He couldn't wait to sit down and play these songs. The collection hit just the right notes for nostalgia.

I bought this book as part of a wedding present for a friend who plays the piano. He was floored! So excited!
