# New Directions For Strings Cello Book 1

## Synopsis

The FJH Music Company is proud to present New Directions for Strings, the first string orchestra method book written by a team of pedagogues representing each of the four stringed instruments. With more than 100 years of combined teaching experience, the authors of New Directions for Strings explore many new directions, including equal integration of all the instruments, a tetrachord-based approach to support proper development of the left hand, and ensemble opportunities that occur throughout the book. Supplemental music by Soon Hee Newbold and Elliot Del Borgo. Includes 2 Play-Along CDs.

## Customer Reviews

The progression of lessons was easy to follow, but provided enough gradual challenge to make for satisfying success. The CD's are wonderful. The arrangements make even simple lessons sound professional. They also help the student listen for intonation issues and understand tempo and dynamics. Moving on to Book 2.

I bought it but the picture shows a different book than the one on the name. I thought I have bought the students one, the picture shows the teachers one and finally the student's one arrived after I bought it from some one else. confusing ha!, I ended returning it.

Great price esp with Prime shipping. Great beginner book for cello.
