Arise!: A Biblical Study Of Dance
Synopsis

Arise is a book that gives a biblical study of dance. In this book it shares the history of dance in the Old and New Testament of the bible, to include dance choreography, worship garments, meanings of colors and much more valuable information for the reader. In addition, if you have a heart or desire to start a dance ministry, there is a chapter that gives you questions to consider to help you decide if this is really what the Lord is leading you to do. Maybe you feel you’re at a dead end or have become stagnant, or in a place of complacency; this book is for you! Also, at the end of each chapter, there is a practice review for a time of meditation and personal study. I encourage you to read this book today and get the full understanding of why you do what you do, dance. I believe that upon reading this book, you will be inspired and enlightened. So Arise and Shine! for your light has come, and the Glory of the Lord is risen upon you! Isa. 60:1
