The Flowing Tide: More Irish Set Dancing
Synopsis

This book is the sequel to the highly successful Toss the Feathers, providing a selection of set dances, including some danced in the United States and Canada, to complement the previous volume. It includes dances that have been revived since the publication of Toss the Feathers, among them old traditional sets and some sets more associated with competition set dancing. The sets are laid out in conventional set terminology and can be easily followed by teachers, pupils and anyone who has an acquaintance with the art of set dancing.

Customer Reviews

Amazing! This obscure book about Irish set dancing was available through .com. Even though it came from a seller in Europe, it was reasonably priced and arrived quickly and in excellent condition.
