Customer Reviews

Great collection of Ladino songs with guitar chords and historical notes up front. Unfortunately, the ad said that the purchase included a CD of the music, but that was not included. Still, the book is well worth the cost.

A great book with scores and guitar chords for many songs, including some rare ones. There are a few minor mistakes in the English translations of the lyrics, but as I know both Ladino and Hebrew, this is not a problem for me. Bought two of these for myself and my sister's song ensemble.

This is an awesome book - it had many of the Sephardic songs I was looking for and couldn't find anywhere else. Thank you, Mr. Edery!
