Bruce Roberts is one of the best lighthouse photographers working in the U.S. today. In this book, he and his partner Ray Jones give you an excellent photograph of each lighthouse featured, a short historical story from Jones and directions of how to get to the lighthouse. Lighthouse lovers could scarcely ask for more.

This is an excellent book with great descriptions and beautiful pictures. If you are interested in lighthouses, this book is detailed, informational, and fun.

Very informative & beautiful pictures. Love it!!!
