Our son was in "The Old Guard" and stood the tomb of the Unknown Soldier as well as being a color guard so the book brought back special memories. Also, my older brother served as a Marine detachment as body guard for Admiral Zumwaldt, who happened to be from our home town!

Wonderful book, many beautiful pictures and very informative. I've seen changing of the guard in pouring rain and their info takes me right back to that time.
Best history on a wonderful place for those who served their country.

Beautiful book-especially if one of your loved ones is buried there.

One awesome book!!
