Fun book! Great collection of songs. I've been able to do only two of the 8 songs, most of all of "Dueling Banjos" which is REALLY fun, and another easy one "Wildwood Flower." The rest of the collection tho, I would say are very difficult as they are very very fast! But fun none the less!**I started a rating system based solely on how technically difficult the songs are to play fully and exactly as transcribed; 10 being extremely difficult. I buy these play along books not usually so much to play exactly along note for note, but if that's what you do then the rating is based on those who would do that: note for note, no improvising. Difficulty: 9 I found only two songs to be pretty "easy," the rest are quick and fairly complex.

Good Book to play along with songs are a good selection. Some songs are a bit difficult but easy to improvise playing along with. Only complaint is the recordings do not sound very bluegrass, sound like played on electric guitar

Great selection of tunes and they are very well arranged. Yhis book will keep you on your toes and practicing.
