Customer Reviews

I have been buying these calendars for several years. They are shipped promptly in secure packaging and they arrive in pristine condition. The calendars themselves are high quality and printed on glossy paper. They are well worth the cost and my clients love the pictures. I buy several at a time and give them out as extra Christmas gifts to people on my "nice" list :)

I'm disappointed by the photos in this calendar. These are all rich man's tree houses. I was hoping for more realistic, everyday-joe's tree houses. Also, the photo quality is lacking.

what can you say, I just like odd calendars, Last year it was islands, the year before it was waterfalls. Beach scenes and famous landmarks just don't do anything for me.

I got this for my other half and he really loved it. He has plans to hand it on the wall at his drafting table.

Gorgeous treehouses depicted! Gave gifts of this calendar, my crunchy friends lurrv it too :)
