Customer Reviews

This book is filled with uplifting and inspirational verses each surrounded with whimsical flowers set in imaginative, charming scenes, designs and patterns plus birds have been added to many of the illustrations for variety. This is a lovely coloring book to give and would make a thoughtful gift to someone special who is bed ridden with illness, or to lift up their spirits if they are going through a rough time. It is also a wonderful inspirational coloring book to color for your own coloring library¹. 24 whimsical floral illustrations printed one per page (the back of each page is left blank) on light weight bright white paper.² The images have many small details so Colored pencils, Ultra fine markers and Gel pens work well in this book.³ All markers and Gel pens I tested leach through the paper, I just put a piece of paper under the page I am coloring to prevent damage to the next

page.4. Three pages at the back are made to color, cut out and use as book marks perhaps for your bible , other books or for giving as gifts, these have the following copyright information under them(Color and Cut, use for bible Journaling, scrapbooking or any and all paper crafting. Print as many copies as you need for personal use, gift giving or ministry work) This is a nice addition to this book. The paper is thin so you might want to print them on heavier weight paper or glue them to cardboard stock paper. My Grandchildren are going to love making these for gifts.5. Bible verses and inspiring words contained in this book:a. Enter His gates with Thanksgivingb. Forget not all His Benefitsc. May your roots go down deepd. Bloom where youâ™re plantede. Bird on a branchf. Be still and knowg.
