Accent On Achievement, Bk 2: B-flat Clarinet, Book & CD

Synopsis

Accent on Achievement is a revolutionary, best-selling band method that will excite and stimulate your students through full-color pages and the most complete collection of classics and world music in any band method. The comprehensive review cycle in books 1 & 2 will ensure that students remember what they learn and progress quickly. Also included are rhythm and rest exercises, chorales, scale exercises, and 11 full band arrangements among the first two books. Book 3 includes progressive technical, rhythmic studies and chorales in all 12 major and minor keys. Also included are lip slur exercises for increasing brass instrument range and flexibility. Accent on Achievement meets and exceeds the USA National Standards for music education, grades five through eight. This title is available in SmartMusic.

Customer Reviews

Got this for my student. Seems like a great book so far, except i dont like the whole "alternate fingerings" being introduced this soon. That should have been for the third book. Because not all the notes have been introduced yet, the student should be taught how to play them regularly and if they cant play it regularly then show them the alternate. Once they know all the notes chromatically up and down then alternates should be taught. Other than that, its a great book.

Needed this for son's Band class and it arrived in two days. And for a great price! Brand new and in perfect condition.

Exactly what we needed
