How To Draw More Comic Book Superheroes Using 5 Easy Shapes

Synopsis

The book teaches children how to draw more of their favorite super heroes using basic shapes that they already know how to draw or can be easily learned. By following the examples, children learn to see complex pictures as just a grouping of simple shapes. After just a few lessons they are ready to master their own characters and more!

Customer Reviews

8 yr old loves it So do I

Love this for my five year old who loves both drawing and superheroes

I bought this book to give to my son and his friends because he loved the super hero and villains book so much. The characters are just so cute! My son and his friends couldn't wait to start drawing.

This book was a Christmas present for my youngest granddaughter. She loved it!
