Customer Reviews

The point of these books are to help you expand your skills as an artist and colorer. That being said you can use it as is and just color. Many pages in front to help you learn some new things and get better overtime.

If you need a "grownup" time out to relax and be inspired this is your book. Ms. Fink's drawings are beautiful and fun to color, relaxing and calming. She is inspirational and this will be an experience you will love to be creative at and share with others.

I have not found any better or more uplifting coloring book yet, & each Joanne Fink book I have gotten since is better than the last! So Happy With Them All! Jamie Torres

Love Joanne Fink's books They are simple and not so busy plus you can add to them. Very fun to color.
