Grand Lady Of The Lake: The Remarkable Legacy Of Yellowstone's Lake Hotel

Synopsis

In 1891, the Northern Pacific Railway began erecting a grand hotel overlooking magnificent Yellowstone Lake to welcome visitors to the magical western park dubbed "Wonderland"-where geysers erupt, waterfalls plunge, and wild animals roam. The oldest hotel in America's national park system has endured as a destination beloved by millions. Michelle Trappen's photo-packed book celebrates the hotel's 125th birthday and tells the remarkable story of a true survivor-the Grand Lady of the Lake.

Customer Reviews

I found the book to be very well researched and written. Not only did it describe the birth and evolution of the hotel itself, it also included historical facts of interest about other areas of Yellowstone Park. The narrative is accompanied by many period photos which greatly add to the enjoyment of the book. I would definitely recommend this book, I know I intend to visit The Grand Lady of the Lake while I am there.

It made a nice souvenir. I worked in this hotel a couple of summers.

This is thoroughly researched and very well written.

Great book. Love that I'm in it!!
