White Rooms

Synopsis

The most used color in interior design, white can open up a space, add dimension, and invoke a sense of romance, elegance, peace, and possibility. *White Rooms* is devoted entirely to decorating with this versatile color, offering inspiration and options for every room in the house—from bedrooms to bathrooms to living and eating areas and beyond. Featuring houses from around the world, it offers advice on all aspects of decorating with white and its various shades, including furniture, structural elements, objects d'art, wall coloring, and more.

Customer Reviews

I was disappointed in this book. Many of the pictures are of the same house. Lacks variety and excitement.
