Full-Color Cigar Labels CD-ROM And Book (Dover Full-Color Electronic Design)

Synopsis

The early 20th century labels that once adorned cigar boxes have long been admired for their fine detail and decorative flourishes. They included images of lovely ladies, handsome cowboys and sailors, dogs, eagles, racehorses, and other miniature works of art. Commercial artists and designers will find this collection a splendid source of colorful graphics. Collagists, decoupeurs, and other craftspeople will also want to add this vintage collection to their personal libraries.

Customer Reviews

Full color images of 89 cigar labels from yesteryear plus CD of these same labels. Nice book for collectors of cigar labels or those just interested in an earlier time. Book contains images only, so no historical information about the labels themselves.

I bought this for my husband as a gift and it is wonderful! There are several nice labels to choose from and we were able to make some very nice artwork from this book. I highly recommend it for any cigar lover. They will be very happy to receive this book!
