Animal Silhouettes CD-ROM And Book (Dover Electronic Clip Art)

Synopsis

Bold and eye-catching, these realistic silhouettes depict a magnificent menagerie that ranges from the diminutive dragonfly to the towering giraffe. Wild and domesticated creatures appear here, including familiar images â " dogs, horses, and rabbits â " as well as more exotic animals, such as the anteater, walrus, kiwi, and mandrill. This book includes a CD-ROM containing 310 royalty-free images scanned at 600 dpi and saved in six different formats (TIFF, PICT, EPS, BMP, as well as Internet-ready JPEG and GIF).

Age Range: 8 and up

Grade Level: 3 and up

Customer Reviews

The animal images in this book are beautiful, however I cannot use it. I wanted to use this for paper cutting, however I need the image to connect so I can cut it out of one piece of paper. This is more of a stencil use type of design. Will be returning this.

This book has a good variety of animal silhouettes and they are true to life, not cartoon type images. My use has been for cutting the images out in metal for jewelry type applications and I am quite happy with the content for this application.

These silhouettes are great for stained glass patterns... especially if you have a ringsaw like I do.
