## Customer Reviews

This little book of stickers contains a good number of motifs and the quality is good. I've used some of them for pin badges, others on a decoupage project, and they look good, are good designs, and are printed in good paper.

All of the designs are really cool (I love the ones with intertwined birds!) and the price is excellent; my only complaint is that there is a lot of white left around the edges, especially on the round stickers.

Do not buy. Came off rapidly, within a night none still stuck to anything. It's like they were designed to peel off.

Smaller than I expected, about hand size. But still beautiful, intricate designs!
