The Revised Vault Of Walt: Unofficial Disney Stories Never Told (The Vault Of Walt)

Synopsis

DISNEY STORIES FROM BEST-SELLING HISTORIAN JIM KORKISThis first volume in Disney historian Jim Korkis' classic Vault of Walt series features nearly 30 little-known insider stories about Walt Disney, the Disney films, and the Disney theme parks, including: The perilous four-month stint of famed Warner Bros. animator Chuck Jones at the Disney Studios Why two women you've never heard of were among Walt's most important influences Walt's admiration for and brief collaboration with legendary artist Salvador Dalí Walt and Lillian Disney's raucous 30th wedding anniversary celebration in Frontierland How Walt's early infatuation with polo led to an injury that plagued him for the rest of his life The story of Cinderella's Golden Carrousel and the Disney craftswoman who tended it for decades Walt's fondness for chili and cold weenies, with authentic recipes to create his favorite dishes With a foreword by Walt's daughter Diane Disney Miller, Vault of Walt: Volume 1 is your chance to roam the nooks and crannies of Disney culture in the capable hands of Disney historian, master storyteller, and former Cast Member Jim Korkis. As Diane Disney Miller herself writes, Jim's stories are "...authentic, so true to my dad's spirit, so unprejudiced and non-judgmental, that I ... could see the twinkle in dad's eye, hear his laugh". Vault of Walt: Volume 1 consists of four parts, each with seven memorable tales about Walt, Disney films, Disney theme parks, and the many other worlds of Disney. In addition, there's a bonus section about Disney's controversial film Song of the South to herald Jim's new book, Who's Afraid of the Song of the South? And Other Forbidden Disney Stories, also from Theme Park Press and now available on .Â Â Â Â Â Â Â

Customer Reviews

This is actually two reviews in one - one review for everyone who does not already own the original Vault of Walt that was published back in 2010. The other review is for those fortunate people who still own the original book. First, to everyone who does not own the original book - this is a very special Disney book that is written by the most knowledgeable Disney historian I know - Jim Korkis. I have read many of Jim's numerous articles on all facets of Disney history, his various other books, and have seen several of his video presentations in front of live audiences. Jim presents his information with fact, humor, and style. Unlike some other authors of Disney books, Jim does not let any bad experiences as a former employee of the Disney Corporation creep into his writings or live presentations. He stick to the facts, avoiding gushing about how perfect Walt Disney and the Disney Company was and is - and also avoiding demonizing every action by Walt or the company. I love that Jim shares many Disney stories that I have never heard before, many told with humor. He verifies or debunks the numerous "urban legends" about Disney, but he will clearly indicate when there are no facts to prove or disprove a rumor. This book is in 5 sections: Stories about Walt Disney, stories about the Disney films, stories about the Disney parks, "other worlds" stories about miscellaneous Disney, and info on Song Of The South - with answers to frequently asked questions. This last section refers to Jim's other recently published book "Who's Afraid Of Song Of The South ...", which I have also reviewed. Most people with any interest in Walt Disney and the Disney Company over the years will be entertained and amused by this book.
