Synopsis

A perfect way to melt away the stress and reflect upon your faith, these 45 engaging illustrations drawn by talented artist, Ronnie Walter, accompany favorite Bible verses and inspirational messages. They will bring hours of creative relaxation into your life while lifting your spirits. Coloring is a great way to take advantage of a quiet moment. Or, better yet, gather up your friends for a fun get-together. Whether using colored pencils, markers or watercolors, let these pages spark your creativity as you find joy in the simple pleasure of coloring. Bound with plastic coil, these books can be laid flat for easy coloring, and pages can be removed effortlessly. Once you get started, you won't want to stop!

Customer Reviews

I own a number of The Coloring Cafe coloring books and I love to color in them. They are cute and easy to color. I can usually finish one easily in an afternoon. â œColorful Blessingsâ • is a newer coloring book in the series. What I absolutely love about this coloring book is that it is spiral bound. I can flip the pages around and get the page I am working on to lie perfectly flat.The designs feature a Bible verse as well as the cite so you can look it up for yourself. I don't see a translation mentioned in the book so I can't say for sure which it is. The designs are open and easy to color. I don't have to finagle small points into even smaller spaces with this book. I can have fun with whatever medium suits my temperament on a given day.For my first project, I choose to use a mixture of Sharpie and Bic Mark-it alcohol-based markers. I was happy that the paper didn't feather the ink outside of the lines and will certainly use my markers with this book again (see medium

discussion below.)I will provide details about the book below for those interested, but here is an overview of what I found:45 Bible inspired cute designsDesigns are printed on one side of non-perforated white pageSpiral boundAlcohol-based markers bleed through pageWater-based markers and India ink pens leave shadows of color on back of pageGel pens work well but need a little extra drying timeColoring pencils work well with this paperThe designs in this book are printed on one side of the white non-perforated page. On the reverse side of almost all of them, there is a cute little drawing. If you use a medium that doesn't leak through, you can color that as well. The binding is spiral. The designs do not merge into the binding.
