Customer Reviews

Very disappointed to receive the calendar with only 13 pages of "Muertos" instead of what we thought would be 16! In the description written in bold it says, "Celebrate the Day of the Dead with 16 charming months of meowing muertos." - To us this was very misleading, as we thought there would be one piece of artwork per month...NOT SO! Nowhere in the description does it say that the 4 months of 2016 are ALL ON ONE PAGE - i.e. - one piece of artwork and minuscule 4 months fitted on 1 12"x12" page! We did not return it, as the artwork was fairly nice (one month - February - was very lame with no detail in the art and a very plain solid color background! I think they ran out of actual Cat Muertos and filled it in with clip art or something!). They didn't have thumbnail photos of the other months, so there was no way to tell that this calendar only has 13 pages/pieces of artwork instead of 16. Feeling cheated. Mis!
